Emory University – McDonough Field

Hosted by: Emory Hillel

What is the Jerusalem Festival?

The Jerusalem Festival is a festival of recognition, education and celebration of the history of Jerusalem, the people and the Land of Israel, celebrating their contributions to the world. We share many common principles including democratic values and a call for Peace.

Sukkot is one of the pilgrimage festivals in which the Jewish nation descended upon Jerusalem for joyous celebration with music and dance. In ancient Israel, all of the Nations were invited to join in the holiday festivities. We would like to invite you to come celebrate Sukkot and experience a bit of the ancient culture of Israel with us on September 22, 2013 from 1:00 - 7:00pm with Kosher food, music, demonstrations, talks, art and much, much more....
